✔ You Have Been Registered!

Thank you for registering to participate with St. Baldrick's! We want your experience with your St. Baldrick's event to be rewarding, exciting, and fun, and we've developed several tools to help you reach your goal - to raise money for childhood cancer research!

Below is a list of helpful instructions and tools to help you get started! Head over to your member's section to:

1. Post your "before" photo and update your fundraising goal and add a personal message to your webpage under the "Personal Participation" section.
2. Participate in honor of a child with cancer. You don't have to know a child personally to do so. Read the children's stories in "The Kids" section, then choose a child to honor in the member's section under "The Kids." Seeing a child's story on your page will help your friends better understand the reason you have chosen to participate.
3. Find out the best way to collect and submit your donations. All donations by check or cash should be accompanied by a donation form. You can download your donation form under the "Donations" in the member's section. It will already have your name and ID included!

At the St. Baldrick's Foundation, we are committed to helping you reach your fundraising goals while having fun. If you have questions, please contact us at 888-899-BALD.

Thank you for being a hero for kids with cancer!
